Frequently Asked Questions

KidSpirit Programs

Who is the KidSpirit Staff?
The KidSpirit staff are pretty much the funnest group of people you will ever meet (because at KidSpirit, funnest is a word)! Our hiring process is highly competitive and selective to ensure we find the most enthusiastic and knowledgeable high school and college students around. Each staff member attends 20 hours of intensive training including CPR and First Aid classes. Staff consistently receives feedback and evaluations to ensure they continue their path to excellence.

Are you a competitive program?
KidSpirit is a non-competitive program with an emphasis on skill development and mastery. All activities promote fun, safety, camaraderie, teamwork, and good sportsmanship in conjunction with physical and social skill development.

Registration

How do you register?
Register online at kidspirit.oregonstate.edu. Registration is on a first-come, first-serve basis. Contact us for registration and payment questions at 541.737.KIDS (5437) or email at kidspirit@oregonstate.edu.

What payment options are available?
You may pay online with a credit card as you finish the online registration or you can visit us in the KidSpirit office and pay by check, debit or credit card (excluding American Express), or with exact change.

When are payments due?
Payments for recreational gymnastics classes are due at the time of the first class of each session. Summer Day Camp payments are due two weeks prior to the beginning of each session. A $25 non-refundable deposit is required to register for future sessions of all programs to ensure a spot in the weeks of fun to come!

Can I switch classes? Yes, for a $25 admin. fee.

Are refunds permitted?
There are NO refunds once classes have begun. KidSpirit will make exceptions in the case of medical or family emergencies with proper documentation.

What if a class is canceled?
KidSpirit reserves the right to cancel classes if the minimum number of required participants per class is not met (see requirements throughout the brochure). If KidSpirit cancels a class, families will receive a full refund.

How do the 1 & 2 week options work?
Junior Beavers & Dam Builders -- One week options are available! They are packed with science, art, and physical activities.

Duck Busters -- Our instructors have some fun and exciting projects planned! Because of how the art and cooking lessons are structured, it is imperative that campers attend the full two weeks to fully grasp and apply concepts. If your children have only one week in their busy schedule to spend with us, don’t worry! The DK sports classes are designed for campers to learn and grow in activities and sports over one and two weeks!

Teen Leaders -- “Our leadership curriculum is designed to lay a foundation of skills and competencies and then strengthen those skills through application and experience. Because of this, Teen Leaders who choose to come for one week may join us in the first week of the session to work on the basics, but may not jump in during the second week of a session. We don’t want any of our participants to miss out on critical skill development.

Drop-off and Pick-up

Where do I pick-up and drop-off my child for KidSpirit?
Our drop-off and pick-up location is between Langton and Waldo Halls. The office will alert parents if the location changes for any reason. A piece of photo identification is required to pick up any campers.

What if we’re late?
First, don’t panic. If you arrive after check-in is cleaned up, come into our office in 125 Langton Hall. We will check in your camper and get them to where they need to be for the day!

How do I pick-up my child early?
Notify our office at 541.737.KIDS (5437). Please call 20 minutes before the requested pick-up time so we can have your child in the office ready for you. All standard KidSpirit check-out procedures apply during early pick-up including a piece of photo identification.

Does KidSpirit transport kids between OSU programs?
To see if transportation arrangements are possible between other OSU programs call the office at 541.737.KIDS (5437). If your child will be participating in Expeditions (an OSU Precollege program) KidSpirit staff will pick up campers and transport them to KidSpirit in time for lunch. Expeditions will charge families a transportation fee, and KidSpirit will charge families our Lunch Care fee ($17 per child, each week). For more information regarding the Expedition program, please visit their website at: oregonstate.edu/precollege/expeditions.

• Benton Place, located off of Washington Way
• The parking lot off of Jefferson Way next to the Kerr Administration Building and McAlexander Fieldhouse

For a map of parking locations, visit our website at kidspirit.oregonstate.edu. For questions about parking, call OSU Parking Services at 541.737.2583.

Are parking passes available?
OSU parking services offers a special parking permit for KidSpirit families during the summer. The permit is $45 and is active from June 20 to Sept. 2, 2016. This is a price increase from previous summers, but families can park for 30 min. instead of only 15. This pass can be used when dropping off and picking up a child.

To purchase a permit, go to the OSU Parking Services office in Adams Hall, located on the corner of 15th and Washington Way. Permits will be available May 1st, but will not be active until 6/15. Permits are transferable between cars.

Thanks to KS Giving Circle

We believe every child should be able to attend KidSpirit. The scholarship fund created in Geoff Tomlinson’s memory helps make it possible. Our KidSpirit student staff was so inspired by generous scholarship donors, they created the KidSpirit Staff Giving Circle committing to donate $10 each month for a year to increase Geoff’s scholarship fund. Join our student staff in the spirit of giving and sponsor a child today!
