PERFORMANCE ART

YOUNG ACTORS SERIES

Dam Builders and Duck Busters - Step into our new theatre program focused on building personal awareness and confidence through performance art. Actors will learn what it takes to create dynamic characters and explore the world that they live in. Actors will come away with a sense of self-confidence and comradery.

Breaking Barriers (Session 1)
Focused on confidence building, this session brings together improv theatre and basic acting skills to help actors to trust their instincts. Actors will perform a showcase at the end of each session.

Dare to Be You (Session 3)
Actors will be getting emotional in this session focused on expressing our feelings. We will laugh, and cry as we discover the joy of comedic acting and the passion of dramatic acting. Everything will come together in a heart-stopping showcase at the end.

Seize the Day (Session 4)
Seize the Day is focused on goal setting and communication. Actors will use movement and musical theatre, singing their hearts out, to create show numbers that are award worthy. Caution: this activity may induce spontaneous singing and dancing.

Stand up to Fear (Session 5)
Sometimes we are afraid. Maybe we are afraid of the dark, or spiders, or talking in a group. In this session, actors use elements of technical theatre and pantomime to stand up to fear.

Curtain Call (Session 6)
Make this a summer to remember with our parting performance session. Focused on using elements from previous sessions. Actors will build confidence, practice teamwork, and explore feelings - working toward a one-act festival at the end of the session.

Additional fee = +$50

JUNIOR THESPIANS

Junior Beavers become Junior Thespians in this sub section of Young Actors Series. Participants will create stories, build costume pieces, and explore the world of live theatre. Each session can be done alone or in combination with other sessions. There will be an hour of physical activity each day!

Storytellers (Session 1 and 4)
Junior Thespians will explore the many parts of a story bringing old classics and new tales to life on stage.

Stage Crafters (Session 3 and 5)
Go behind the scenes discovering what it takes to make a theatre run. Thespians will practice costume design and stage craft.

Musical Theatre (Session 6)
Do, Re, Mi and YOU will sing, dance, and act – retelling our favorite stories with music.

DROP-OFF and PICK-UP

Where do I pick-up and drop-off my child for KidSpirit?
Our drop-off and pick up-location is between Langton and Waldo Halls. The office will alert parents if the location changes for any reason. A piece of photo identification is required to pick up any campers.

What if we’re late?
First, don’t panic. If you arrive after check-in is cleaned up, come into our office in 125 Langton Hall. We will check in your camper and get them to where they need to be for the day.

How do I pick-up my child early?
Notify our office at 541.737.KIDS (5437) at least 20 minutes before the requested pick-up time so we can have your child in the office ready for you. All standard KidSpirit check-out procedures apply during early pick-up including a piece of photo ID.

Does KidSpirit transport kids between OSU programs?
To see if transportation arrangements are possible between other OSU programs call the office at 541.737.KIDS (5437). If your child will be participating in Expeditions (an OSU Precollege program) KidSpirit staff will pick up campers and transport them to KidSpirit in time for lunch. Expeditions will charge families a transportation fee, and KidSpirit will charge families our Lunch Care fee ($19 per child, each week). For more information regarding the Expedition program, please visit their website at: oregonstate.edu/precollege/expeditions.
