**TEEN LEADER PROFESSIONAL DEVELOPMENT**

The Teen Leader program is a comprehensive opportunity providing participants hands on experience in three tracks:

During their time on campus, Teen Leaders attend instruction seminars to assist them in professional development. Instruction seminars will leave Teen Leaders with a toolbox full of skills such as resume building, effective communication, and workplace flexibility. Teen leaders will choose a staff mentor in their track to shadow and assist in class instruction or camp counseling. Those who take the administration track will shadow office assistants as they manage the flow of camp.
