

# TEEN LEADER PROGRAM

GRADES 8-12 AS OF FALL 2018

## KidSpirit Professional Development Program

The Teen Leader program provides teens, grades 8-12, with experiences and opportunities to be creatively challenged while facilitating personal, professional and social development. Teen Leaders will be able to work in a dynamic and exciting atmosphere in order to develop leadership, professional and interpersonal skills through personalized mentorship from our highly trained staff and hands-on experience working with our campers ages 5-12.

The Teen Leader Program is a comprehensive opportunity providing participants with hands on experience.

During their time on campus, Teen Leaders attend leadership seminars to assist them in professional development. These seminars will leave Teen Leaders with a tool box full of skills such as resumé building, effective communication, and work place flexibility. Teen Leaders will get to put these tools to use each day in our classes, assisting both Staff and Campers in various activities.
