SKIES
Spirited Kids In Engineering and Science
Inquire • Discover • Exercise • Experiment
Two hours of science and one hour of sport skills (+$50 lab fee)

**MORNING • 8:30 AM - 12:00 PM
Junior Beavers, Grades 1 & 2**

**AFTERNOON • 1:00 - 4:30 PM
Dam Builders, Grades 3, 4 & 5**

**Rambling through Science**
Session 1: June 25 – June 29
Join us on a science adventure! We’ll take favorite bits and pieces from many of the SKIES activities throughout the summer and “ramble” through them. We might be making “fake” Silly Putty or GAK, looking at crystal growth, sustainable technologies (wind, solar, fuel cells)... or making “fairy dust”.

**Rambling through Engineering**
Session 2: July 2–July 6 (no camp Wed. July 4)
Join us on an engineering adventure! We will look at interesting problems in the many different engineering disciplines. A new field every day – chemical, biological, environmental, electrical, mechanical, and civil engineering disciplines will all be touched-upon with examples from daily life.

**Wonderful Water**
Session 3: July 9 – July 20
Explore the amazing power of water! Learn about the water cycle, how storms are created, how we can harness water to do work, and how water can be stronger than rocks. Identify clouds and discover how living things need water to survive.

**Geology Rocks!**
Session 4: July 23 – August 3
Discover the amazing rock cycle and what is really going on below our feet. Learn how rocks are made, and identify rocks used to create the buildings around us.

**Microscopic Mysteries**
Session 5: August 6 – August 17
Dive into a world smaller than our naked eyes can see! Look through a microscope and see many living creatures that are both helpful and harmful to us. Learn what really happens when your fruit sits out too long and how an ant can tell sugar and salt apart.

**Sustainable Living**
Session 6: August 20 – August 31
Learn what you can do at home to help make the planet cleaner! Tour OSU facilities and see how buildings and businesses work to live sustainably. Discover how doing just a little every day can add up to a greener world!
KidSpirit Cooking

Through demonstrations and personalized instruction from our culinary staff, students will learn essential cooking techniques including:

- Chopping
- Kneading
- Peeling
- Marinating
- Caramelizing

Subjects such as kitchen safety and clean-up are emphasized. In addition to cooking skills, the chefs will examine the nutritional value, portion size, and table presentation. This course is taught in the mornings and ends at 1:00 PM.

Jr. Chefs
(Grades K-2)

In this 1 hr. cooking class Jr. Chefs will:

- Develop basic culinary skills
- Receive recipes for the foods they create
- Learn basic table etiquette

As part of the paired In Motion class, chefs will participate in a 1K event during the last day of their classes’ session, July 6th.

Chefs in Motion
(Grades 3–5 and 6–8)

Chefs in Motion is an overall wellness program which combines cooking, nutrition, and exercise. Participants will receive hands-on cooking experience in conjunction with non-competitive physical activity.

During the physical activity portion of class, chefs will learn important aspects of maximizing the benefits of their workouts through:

- Proper stretching techniques
- Fun warm-up activities to prepare for a workout
- Instruction with proper running form and running techniques
- Setting personal goals and mapping ways to achieve them
- Knowledge of how foods give us energy to be active.

After the workout, it is off to the kitchen where chefs will have hands-on experience making their own delicious meals while learning basics of food and nutrition. We emphasize making the connection between nutrition and physical activity.

Future Iron Chefs
(Grades 3–5 and 6–8)

Our Future Iron Chefs will learn the basics of food preparation, presentation, and nutrition in a hands-on cooking environment. Chefs will prepare healthy meals daily, including snacks and desserts.

Frequently Asked Questions

The KidSpirit Program

KidSpirit Staff - Who are they? KidSpirit staff is made up of all students, mostly college and a few high school. The hiring process is very competitive and selective. Once hired, the staff is required to attend 20 hours of training and receives ongoing feedback and evaluation during their employment. They are all CPR/First Aid certified and have had criminal background checks. The KidSpirit staff are the best of the best!

What skills are taught at KidSpirit? Developmentally appropriate sport, art, science, and/or cooking skills are taught within our programs.

Do instructors use lesson plans for their classes? Yes. All instructors use a structured lesson plan template for each of the classes they teach. Lesson plans are required and approved by supervisors.

Are you a competitive program? KidSpirit is a non-competitive program with an emphasis on skill development and mastery. Every activity promotes fun, safety, camaraderie, teamwork, and being a good sport, on top of physical and social skill development. However, we do teach sports skills so campers can participate competitively in sports outside of KidSpirit.

Insurance Forms?
We recommend that KidSpirit has a copy of participant’s insurance card (front and back).

What if my child takes medications? All participants requiring medication during a class must fill out an additional form and bring the medication in the original container to the KidSpirit office. All medications will be kept in the KidSpirit office and dispensed as prescribed by a doctor.

Are waiting lists available? Yes. If you add your child’s name to a waitlist, you are not obligated to switch classes if the activity becomes available. You will be notified if your child has been moved off of a waitlist.

Payment Information

Do KidSpirit payments count for tax deductions? Yes. These payments may also be used as qualified expenses for your Health and Flexible Spending Arrangement. Consult your tax advisor or IRS Publication 503 form for complete information. KidSpirit will provide expenditure reports upon request.

Drop Off/Pick Up/Visitation

How do I change the authorized pick-up/visitor list for my child? An authorized parent or guardian must come into the KidSpirit office at 125 Langton Hall with a valid picture ID to fill out the necessary forms for their child. You can now also manage your pick-up/visitor list online!

How do I pick-up my child early? Notify the KidSpirit office by calling 737-KIDS(5437). A minimum notice of 20 minutes prior to the requested pick-up time is required so we can have your child in the office ready for you. All standard KidSpirit check-out procedures apply during early pick-up.

Parking Options

- OSU parking services offer a special parking permit for KidSpirit families. The permit is $25 a term and allows the holder to park in any student or staff parking spot. Permit holders are also allowed to park in metered parking up to 15 minutes.
- If parking in metered spots with the KidSpirit pass, the pass has to be visibly displayed. Your tire will be chalked and you will have 15 minutes ONLY. After 15 minutes have passed, the meter must be paid or you are subject to a ticket.
- Permits may be obtained at the OSU Parking Services office in Adams Hall, located on the corner of 15th and Washington Way.
  - Metered parking is available at the OSU Bookstore parking lot and in front of the Dixon Recreation Center on 26th St.
  - The parking garage, located across from Reser Stadium on 26th St., offers long-term metered parking (quarters, dollars and credit cards are acceptable forms of payment).
  - OSU offers free parking behind the softball fields next to the Hilton, off of Western Blvd.

For questions about parking, call OSU Parking Services at 541-737-2583.
Frequently Asked Questions

Registration and Classes

Can my child/children get into the same class as their friends? The only way to assure this is by coming in together to sign-up at the same time.

Can I switch my child/children’s classes after I have already registered and paid? Yes. There is a $25 administration fee incurred. If there is a medical reason the fee will be waived if a doctor’s note is provided.

What to Wear/Bring/Not Bring to Summer Camp

What should my child wear to camp? All campers MUST wear athletic, closed-toed shoes. Swim classes require a swimsuit. Gymnastics classes require clothing free of buttons and zippers, and long hair pulled back.

What should my child bring to camp? Bring a backpack, snacks, lunch (if attending full-day), a refillable water bottle, and sunscreen. If swimming, bring a swimsuit and towel.

What should my child NOT bring to camp? Games, toys, stuffed animals, action figures, trading cards or electronic devices are not allowed at camp. Radios, iPods, walkmans, money, and other valuables should be left at home. All cell phones must remain off during camp hours. Messages for your child can be left at the KidSpirit office at 541-737-KIDS(5437). KidSpirit will not be held liable for any damage or loss of personal belongings.

What are Friday Dress-Up Days? Every Friday of KidSpirit Summer Day Camp we have a theme to dress up and have fun with. All staff members will be dressed to the theme, and we encourage campers to do the same. We ask that everyone dressed up can still actively participate in all their activities throughout the day.

Does my child have to dress up on Fridays? No, Friday Dress-Up Days are not mandatory. However, we encourage everyone to join in the fun!
