# KidSpirit Summer: Virtual Camps

## Morning Camps

### Earth to Space Camp
**Session 2-AM**

**Incredible Inventors**
Work your creative muscles and imagine as many inventions as you can! Together, we will learn what it takes to be an engineer. Get ready to imagine, design, and create your own one-of-a-kind inventions.

**Think Local, Think Global**
Explore the roles in our community with art, team building games, and more. Then, expand your knowledge to outer space and blast off on an adventure discovering all about space, the solar system, and the latest Starlink missions!

### Coding Out of This World
**Session 3-AM**

**Coding Conquest**
“Programming isn’t about what you know; it’s about what you can figure out.” - Chris Pine. Join us and learn the basic principles of coding with puzzles and games.

**Mission: Outer Space**
What if you were an astronaut on the Falcon 9? What would you want to explore? Blast off into this class and join us in activities to learn all about space, solar system exploration and the latest Starlink missions!

**Discover Dinos**
Join us to dig up some fascinating facts about the giants that once roamed our Earth. Take virtual tours of the American Museum of Natural History’s world renowned dinosaur hall and build your own diorama!

**PokéKids**
Become the very best and gain Pokémon knowledge that would challenge Ash Ketchum’s! Discover facts in the world of 807 Pokémon, create your own team, and work with other campers to build your trainer knowledge.

### World & Space Exploration Camp
**Session 4-AM**

**Space Exploration**
Put on your astronaut helmet and prepare to explore the galaxy! Discover what it takes to be an astronaut and learn about out of this world space science.

**Dances from Around the World**
Turn your room into a ballroom! From the spicy South American Salsa to the speedy Swedish Hurry Scurry, together we will discover and learn a wide variety of fun international dances.

**Diving in the Deep**
Have you ever wondered what it would be like to live as a fish in the ocean? Dive into this class to learn all about incredible underwater worlds. Through projects and virtual tours, we will explore the wonders of ocean life and science.

### Photography Camp
**Session 4-AM**

**Photography**
Take your photography to the next digital level! Learn the features of photography while using your smartphone - from composition to editing skills.

### Da Vinci Council Camp
**Session 5-AM**

**Da Vinci Council**
Learn about famous inventors, design your own blueprint and bring your invention to life! On the last day of the session, present your creation!

**Museum Art**
Do you love art and museums? If so, this is the perfect class for you! Take virtual tours of famous museums from around the world then sketch, paint, and recreate their beautiful displays.

## Afternoon Camps

### Everything Is Art! Camp
**Session 2-PM**

**Coding in Action**
Get hooked on coding! Join us and learn the basic principles of coding with puzzles and games.

**Earth Art**
From bookmarks to mobiles to sculptures, join us to create beautiful art with natural objects that you can find in your own backyard. We will also learn the importance of appreciating nature and how we can work together to help keep our planet healthy.

**Vitality & Mindfulness**
Self-assertion, gratitude and self-confidence taken to the next level. This self-care class will have you prepared for anything that may come your way.

### Stage to Screen Camp
**Session 3-PM**

**Theater 5000!**
Do you love to shine on stage? Join us to develop improv, monologuing, and acting skills. We will work together to write plays and poetry, design costumes, and create at-home sets.

**Cartoon Creations**
Delve into the world of cartoons as you learn about famous cartoonists while developing your own cartoon writing and drawing techniques. Share your work in a KS cartoon showcase at the end of the session.

**Project Collaboration**
Learn skills to effectively work as a team to increase productivity, relationships, team building, and teen connection.

### Master Sketch & Paint
**Session 4-PM**

**Watercolor Wonders**
Join our KS art instructors to create wonderful works of watercolor art. Learn new techniques, experiment, and follow along with step-by-step instruction.

**Masterclass Painting**
“I think there’s an artist hidden at the bottom of every single one of us.” - Bob Ross. Get in touch with your inner artist and join us for fun and relaxing guided Bob Ross painting classes. You will also learn to make and share your own art tutorial videos.

### Global Travelers Camp
**Session 5-PM**

**Globe Travelers**
Is your happy place in the rugged mountains? At a pristine, tropical resort? Or maybe a live, bustling city? Research, plan, and create an itinerary for your perfect vacation!

**Planes, Trains, and Automobiles**
Get ready to ZOOM through this class! You will learn the history behind transportation inventions and the wackiest ways people travel while building your own toy vehicle!

**Dances from Around the World**
