**Camps Available:** Mountains of the Pacific NW (Session 1-AM), Puppeteers in Action (Session 3-AM)
KIDSPIRIT SUMMER: VIRTUAL CAMPS

BENNY’S TECHIES

DESCRIPTIONS

MORNING CAMPS

LIFE: EARTH TO SCIENCE CAMP
SESSION 2-AM
Incredible Inventors
Work your creative muscles and imagine as many inventions as you can! Together, we will learn what it takes to be an engineer. Get ready to imagine, design, and create your own one-of-a-kind inventions.

Think Local, Think Global
Explore the roles in our community with art, team building games, and more. Then, expand your knowledge to outer space and blast off on an adventure discovering all about space, the solar system, and the latest Starlink missions!

JURASSIC TO POKE-TASTIC CAMP
SESSION 3-AM
Discover Dinos
Join us to dig up some fascinating facts about the giants that once roamed our Earth. Take virtual tours of the American Museum of Natural History’s world renowned dinosaur hall and build your own diorama!

PokéKids
Become the very best and gain Pokémon knowledge that would challenge Ash Ketchum’s! Discover facts in the world of 807 Pokémon, create your own team, and work with other campers to build your trainer knowledge.

OUTDOOR CREATURES CAMP
SESSION 4-AM
Awesome Amphibians & Radical Reptiles
Did you know that the largest amphibian can grow to be 6 feet long and weigh 140 pounds? Or that the giant tortoise can live to be over 200 years old? Get ready to crawl, slither, and swim through the world of amphibians and reptiles to become a KS herpetologist!

Mo Willems Art
Do you love the book Pigeon, Piggy and Elephant or any of Mo Willems’ wonderful stories? If yes, then this awesome class is for you! Join us for interactive storyline, guided draws by Mo, and more Willems themed activities!

WIZARD CAMP
SESSION 5-AM
Wondrous Wizardry
Grab onto a Portkey and get whisked away into the world of wizards! Explore wizarding magic with science experiments, make your own magic wand and create your own wondrous wizarding world.

Feathered Friends
How do birds build nests? How do they know when to migrate? How can you train a parrot to speak? Learn these answers and more as we explore the amazing world of birds.

Builder’s Workshop
Can we build it? Yes we can! Join us to design, engineer and create using simple materials to build useful, magical or silly things from your imagination.

AFTERNOON CAMPS

EVERYTHING IS ART! CAMP
SESSION 2-PM
Coding in Action
Get hooked on coding! Join us and learn the basic principles of coding with puzzles and games.

Earth Art
From bookmarks to mobiles to sculptures, join us to create beautiful art with natural objects that you can find in your own backyard. We will also learn the importance of appreciating nature and how we can work together to help keep our planet healthy.

Vitality & Mindfulness
Self affirmation, gratitude and self-confidence taken to the next level. This self-care class will have you prepared for anything that may come your way.

PUPPETEER UNITE CAMP
SESSION 3-PM - SPANISH IMMERSION
Puppet Theater & Art
Do you have a sock? Or some cardboard? Maybe a piece of paper? Then you already have everything you need to become a KS puppeteer! In the morning, you’ll discover creative ways to make puppets from various supplies and create your own characters. Then in the afternoon, bring your puppet into the theater world and write your own stories.

Upcycled Art
Turn your trash into treasure! In this class, you will learn to create one-of-a-kind art using trash and recycling from your own home. You will also learn the importance of reducing, reusing, and recycling and how we can help our planet.

MISSION: SPACE CAMP
SESSION 4-PM
Mission: Outer Space
What if you were an astronaut on the Falcon 9? What would you want to explore? Blast off into this class and join us in activities to learn all about space, solar system exploration and the latest Starlink missions!

Builder’s Workshop
Can we build it? Yes we can! Join us to design, engineer and create using simple materials to build useful, magical or silly things from your imagination.

Lego Creators
Be a MasterBuilder and accomplish Lego engineering feats! Build your Lego skills and participate in creation challenges that will put your abilities to the test. *Legos not provided

THE WORLD AROUND US CAMP
SESSION 5-PM
Animal Lover’s Pet Club
Our animal friends come in all shapes and sizes! Maybe they bark, purr, chirp or glub. Join our KS pet club and together, we will learn how to care for animal friends at home, discover interesting facts, and create animal themed art!

Mo Willems Art
Do you love the book Pigeon, Piggy and Elephant or any of Mo Willems’ wonderful stories? If yes, then this awesome class is for you! Join us for interactive storyline, guided draws by Mo, and more Willems themed activities!
